OFFICE OF GENERAL
COUNSEL

Beth Mizuno,

In regards to the case MUR 5635 and your request for information on an invoice paid by ATA; (954694)

This invoice was paid without pardon to any part of it. I have been in this business for thirteen years and have never pardoned a debt of any clients. I am a small business and cannot afford to loose the amount of money you have suggested.

Due to the amount of time that has passed I cannot locate the invoice or the check copy. My secretary archives all our receivables, ETC., about every eighteen months. All of our archives are housed at another location. We will continue to look for the invoice, but, as of now it will be very time consuming to track it down, if it can be located at all. I did discuss this with my secretary, who has worked for me for six years and she has absolutely no recollection of me ever pardoning any debt to ATA. She would be very knowledgeable about this as she is my full charge account rep.

Please be assured, had I dismissed such a large amount of debt, I would have definitely remembered.

If I can be of further assistance, please feel free to call and I will do my utmost best to accommodate your needs.

Sincerely,

Farhad Mohammadian
President
